Memorandum

Sub :Online Filing of Annual Property Return – Clarification

The Secretary (Coal) directed in the review meeting held on 20-01-2014 that the immovable property return in Form-VB is to be filed covering all such properties held on 31st Dec. '13 on cumulative basis. In anticipation of amendment of the CDA Rules 1978, it is advised that the immovable property return may be filed on cumulative basis. The executives who have already declared immovable properties acquired during 2013 only, are advised to reset their acknowledgement from the Nodal officer of the subsidiary and declare cumulative assets as on 31.12.2013 accordingly. Nodal officers are advised to keep record of all executives in respect of whom acknowledgements are being reset.

It is further clarified that the returns for the assets other than immovable property (if value exceeds 2 months' basic pay) in Form-VA and Form-VC are required only at the time of first appointment in the company in terms of Rules 19.4 of the CDA Rules. Accordingly, Annual Return of the assets other than immovable property is not required to be filed on annual basis.

As the data of Immovable Property Returns filed online will be available for monitoring purpose, the hard copy of return is not required.

This is for your information all concerned.
